University Innovation & Entrepreneurship Showcase

Hosted by the **Association of Public and Land-grant Universities** and the **Association of American Universities**
in partnership with the National Academy of Inventors and VentureWell

Please join us for the inaugural exhibition and reception featuring startups from across the country that grew out of federally-funded university research and are fueling the innovation economy. This event will highlight the important role federally-funded university research plays in fueling entrepreneurship, innovation and impact across the nation.

Tuesday, November 14, 2017
5PM-7PM

Rayburn Foyer, Rayburn House Office Building
45 Independence Ave SW, Washington D.C.
