Higher Education Initiatives - Continued support of Higher Education initiatives, including teaching awards program and advocating for the inclusion of education objectives in NIFA/AFRI RFAs.		X	X		X
Leadership Development - APS has continues to support LEAD21 (two members serving on the Board of Directors); APS has also been supportive of the Foods Systems Leadership Institute (FSLI) and has encouraged institutional participation in both programs.		X			X
FAEIS - APS strongly supports the need for reliable data regarding students enrolled in majors related to agriculture, natural resources and related sciences. Currently, data relative to enrollment, degrees awarded, faculty, student placement and other information are collected by the Food and Agricultural Education Information System (FAEIS). Data are important in evaluating trends and identifying emerging areas of study.		X			X
APS Bylaws – APS completed an update of APS Bylaws to more accurately reflect organizational changes and changes in practice, structure and rules of operation.		X			
APS Visioning - APS will be conducting a visioning/strategic planning day-long session in Orlando, FL following the APLU Annual Meeting in November 2-4, 2014.		X			X
