The following motion was tabled by the BAA Policy Board of Directors on July 22, 2015 in order to give the various sections of the Board on Agriculture Assembly time to discuss it and will be considered again on November 17, 2015:

Any initiative from parts of the system represented on the BAA Policy Board of Directors in which funds or special requests are being made in which the requestor is doing so as part of the Board on Agriculture Assembly (BAA) shall be transmitted through the Chair of the BAA Policy Board of Directors with a written letter of request being part of the formal process. This does not preclude meetings or other communications by members to discuss and develop ideas and concepts before reaching the formal request stage.
