Wicked Problems (Complex issues)

- Pandemics
- Climate change
- Financial crises
- Water Crises
- Global travel and fiscal crises
- Environmental catastrophes
- Biodiversity loss & ecosystem
- Inter-state conflict and migration

Comprehensive Internationalization strategy:
Integration, Technology, Outreach/Research and Mobility.

* Global Risk Forum, 2016
How do we internationalize our campus and better prepare the future professionals to handle complex issues?

Is mid-term and long-term scientific mobility in par with the global demand?
