GEORGE MASON UNIVERSITY
REEXAMINING ACCESS AND SUCCESS IN A GLOBALLY INTERCONNECTED WORLD

S. David Wu
Provost and Executive Vice President
We strive to develop graduates who are engaged citizens, well-rounded scholars and prepared to act.
Mason Impact

Mason will offer four year long transformative learning experiences at the undergraduate level, leveraging curricular and co-curricular experiences:

- Research & Discovery
- Global Engagement
- Social Impact & Innovation
- Entrepreneurship
Mason Impact: Global Engagement

Nothing can prepare a student better for today’s globally interconnected world than the experience of living and learning in a different culture.

Cultivating a student’s global mindset during their time at Mason is one of the ways we can offer them a truly transformative experience.

Study Abroad: New Programs

We are launching 2 new programs that specifically address the academic concerns students have about getting relevant credits for their degree completion:

- **Global Fellows**
  - Semester-long immersion for incoming students
  - 15 credits toward Mason Core Requirements

- **Global Scholars**
  - Semester-long immersion for current students
  - Minor in Global Leadership
