

# University Collaborations for Promoting Public Access to Research Data

Beth Plale, NSF

Kevin Gardner, UNH

Patty Jones, UIUC

Greg Madden, PSU

# APLU/AAU efforts

- Public Access Working Group Report (**PAWG**) and Recommendations (Nov 2017)
- NSF-funded (**Beth Plale**) *Workshop to Accelerate Public Access to Research Data (APARD)* (Oct 2018)
  - 30 teams (Research, Library, CIO, Policy, Faculty reps)
  - Agency and landscape exposure
  - Team development of campus roadmap
  - Sharing within functional areas

# APLU/AAU APARD Steering Committee

---

- Greg Madden, PSU, SC Chair, research data/computing
- Kevin Gardner, UNH, research
- Heidi Imker, UIUC, library
- Pegah Parsi, UCSD, policy/faculty support
- Jim Wilgenbush, UMn, research data/computing
- Larry Sutter, Mi Tech, faculty/disciplinary
- Tom Cramer, Stanford, library
- PAWG (T Walters Va Tech, J Chasen KU, J Luther Duke, S Nusser Ia State)
- Assn reps (H Gobstein / K Redd , T Smith / K Steen AAU)

# Next Activities

---

- **Framework and strategic plan** for community and associations
- **Guide for implementing PARD** on campus
  - Soft infrastructure: data policy, DMP, workflows
  - Researchers: practice, training, credit, reward
  - Engagement: campus communication, buy-in

# Next Activities

---

- **1-day Acceleration Conference** (30 institutions)
  - Campus learning, ID open areas, guide feedback
- **National Summit #1** (broad participation)
  - Small group guide development, ID areas to deepen
- **Small group work after Summit #1**
  - Deep guide areas identified as needing additional understanding

# Next Activities

---

- **National Summit #2** (broad participation)
  - Small group recommendations and feedback
  - Draft guide feedback
- ***Finalize Guide to Accelerating Public Access to Research Data at Academic Institutions***
