Mathematics Teacher Education Partnership Co-Directors

Howard Gobstein, Association of Public Land-grant Universities

W. Gary Martin, Auburn University

Mathematics Teacher Education Partnership 5 Planning Committee¹

Howard Gobstein, Association of Public and Land-grant Universities, co-chair

W. Gary Martin, Auburn University, co-chair

Emina Alibegovic, Utah State University

Ed Dickey, University of South Carolina

Mark Ellis, California State University, Fullerton

Maria Fernandez, Florida International University

Brian R. Lawler, Kennesaw State University

W. James Lewis, University of Nebraska, Lincoln

Margaret J. Mohr-Schroeder, University of Kentucky

Robert N. Ronau, University of Louisville

Marilyn Strutchens, Auburn University

Diana Suddreth, Utah State Department of Education

David Webb, University of Colorado at Boulder

Acknowledgements

Funding for the MTE-Partnership, including the 2016 Conference, was provided by the Leona M. and Harry B. Helmsley Charitable Trust.

Special thanks to Mary Leskosky and Kacy Redd of APLU for their assistance in planning and executing the logistics for the 2016 MTE-Partnership Conference.

Preface

These proceedings are a written record of the presentations and papers presented at the Fifth Annual Mathematics Teacher Education Partnership Conference held in Atlanta, Georgia, June 26-28, 2016. The theme for the conference was "From Improvement to Transformation." We are pleased to present these Proceedings as a resource for the mathematics and mathematics education community.
