

# STUDENT DEBT BY THE NUMBERS

Percentage of in-state bachelor's degree recipients from public, 4-year institutions by cumulative amount borrowed.

1 in 1,000 in-state public university students who earn a bachelor's degree graduate with \$100k in debt. Less than 1% of in-state students graduate with more than \$70k in debt. In fact, nearly 4 out of 5 (78%) public university undergraduate students complete their degree with less than \$20k in debt, including nearly 2 out of 5 (39%) who have no debt at all. Those are the facts!

**88.3%**  
of students have  
debt under \$30,000
