**Public Meeting on
Building an Evidence Base on Rural Youth Employment and Livelihoods**

May 8, 2018

**Ronald Reagan Building Rotunda and Live-Stream
North Tower, 8th Floor, 1300 Pennsylvania Ave., NW Washington, DC 20004**

AGENDA

The purpose of the public meeting is to develop a shared understanding of rural labor markets and youth-specific constraints, discuss the evidence base on programs that aim to improve rural youth employment and livelihoods, outline cross-sectoral opportunities to support and empower youth to take advantage of agricultural system market opportunities, and identify knowledge gaps on which U.S. university and other research partners can generate evidence to address.

Administrator Mark Green, USAID
Mark Keenum, President, Mississippi State University, BIFAD Chair

9:45 a.m. YOUTH AND AGRICULTURAL TRANSFORMATION

This session will present a conceptual framework for describing the state of the rural labor market and the roles of youth within it. It will examine the pathways to employment for rural youth and consider how the evolution of these pathways across stages of agricultural transformation is affected by diverse economic geographies. A presentation will be followed by audience discussion.
Introduction, Louise Fox, Chief Economist, USAID

Presenter, David Tschirley, Michigan State University

10:40 a.m. MASTERCARD FOUNDATION INVISIBLE LIVES PROJECT

This session will include a short video presentation and discussion of the findings of the Youth Livelihoods Diaries Research Project, which was a year-long research effort that tracked the working behaviors of more than 240 youth between the ages of 18 and 24 in Uganda and Ghana.

Presenter, Tricia Williams, MasterCard Foundation
