

Protocols for Minimizing Risk for Faculty, Staff, and Students

May 28, 2020 - 4:00 - 5:00 PM ET

Speakers:

- Laurie Lauzon Clabo, Dean of the College of Nursing, Wayne State University
- Teena Chopra, Professor of Medicine, Division of Infectious Diseases, Wayne State University and Corporate Medical Director; Hospital Epidemiology, Infection Prevention and Antibiotic Stewardship; Detroit Medical Center, Wayne State University

We will continue our CAA Virtual Sessions this week with a discussion on protocols for minimizing risk of COVID-19 infections when campuses open for the Fall Semester.

Instead of having provosts lead off the discussions, we are delighted to have health experts address critical questions regarding reopening in the Fall.
