

Protocols for Minimizing Risk for Faculty, Staff, and Students

May 29, 2020 - 12:00 - 1:00 PM ET

Speakers:

- Paul Halverson, Dean, Richard M. Fairbanks School of Public Health, IUPUI
- Kelly Kamm, Assistant Professor, Kinesiology and Integrative Physiology, Michigan Technological University

We will continue our CAA Virtual Sessions this week with a discussion on protocols for minimizing risk of COVID-19 infections when campuses open for the Fall Semester.

Instead of having provosts lead off the discussions, we are delighted to have health experts address critical questions regarding reopening in the Fall.
