Report Out

CIMA and COR Open Forum

Successes

- Sharing research expenditure data and reports
- Pre-populating faculty activity database
- Department Annual Research Reports
- Strategic plan metrics

CIMA and COR Open Forum

Challenges

- New applications of established reports or metrics
- Structures and definitions

CIMA and COR Open Forum

Discussion

- What challenges do your Research and IR offices face in either sharing or obtaining data?
- How can your institution better collaborate internally to provide access to/leverage data to better tell the story of research value and impact on campus?
- What successful partnerships have you developed?
