The University of Akron

**Course Content is Modular**
- Flexible
- Learning process
- Tech-based
- Learn anytime
- Transcript feature
- Platform gets smarter about you over time
- Connects you to a community of learners
- Highly personalized

**It's not linear**
- Different ways to achieve the same outcome

**DO BETTER than what the analytics would predict**
- Time in seat
- Does not equal time to learn

**Learned from our cohort about crowd sourcing & data analytics**
